WHAT'S NEW?

Freddy Sandoval

PBA, LLC. is proud to announce a new addition to our staff, Freddy Sandoval. Freddy will be assisting with camps, lessons and administrative responsibilities once the indoor facility opens. Freddy is a professional player with the LA Angels. Currently, he is on the injured reserve list. This will enable him to be available for upcoming PBA events. Go to www.pbacad.com for his full bio.

Indoor Facility Update

PBA, LLC. Is in the process of obtaining a location for an indoor facility. Our hope is to

have our Grand Opening before the end of the year. Stay tuned for more details.

Clinics to be offered through Community Center

PBA has partnered up with the Anthem Community Center and will be offering baseball and softball clinics starting September 29th. Each week players will be able to train in a camp/practice setting while getting individual attention from our professional coaching staff. The clinic is designed to help players develop fundamentals and enhance skills on the field. This is an awesome experience as it gives kids the opportunity to learn all aspects of the game!

Individual Lessons Update

We will continue to offer lessons. Call or email now for reservations as time slots are filling up fast.

PHONE: 480-797-7930

EMAIL: info@pbacad.com

In addition, lesson prices have changed. Online pricing is now in effect for all new and existing customers. Any current packages will be honored; however, once the package is completed, the new pricing schedule will take effect.

It's a Mindset!

ACADEMIC TUTORING

PBA, LLC. will now be offering academic tutoring. It is not always easy to find somebody you can relate to, and in turn, help you perform to your fullest potential. Academic Coaches, through PBA, LLC., are certified teaching professionals. Our services are limitless. They range from basic study skill and organization readiness to help with challenging, rigorous curriculum. All services will enable students to advance academically. Whatever the need is, PBA's academic coaches will be able to accommodate while using a variety of hands on, creative approaches. Let us help you in area(s) of your choice.
